Trace your family

## heritage...

The CCHA has a Director of Genology that is here to help you trace your family tree. If you join the organization (\$35 per year) you receive and a free hour of research conducted by Mrs. Karen, our Director. If you need more details than that, then she can assist further at \$50 per hour. This is one of the ways the organization raises funds to operate.

Call us if you'd like to discuss having your family tree researched.

### Bright Leaf Hoedown

On Saturday, September 30, the Bright Leaf Hoedown was held after being rescheduled from the previous weekend due to Hurricane Ophelia.

It was a nice sunny afternoon and the Richmond-Miles Museum was open for tours. Board members were on site with fundraising goodies and books on the history of the area. Pictured here Board Members Karen and Steve and two animals from The Animal Park at the Conservator's Center.

## Farmers Market Winner!

If you attended the Caswell Farmers Market over the summer, you may have seen the Caswell County Historical Association tent there. We were sharing news about the organization and providing an opportunity for visitors to win a prize at a local merchant.

A \$25 Gift Card from the Caswell Mercantile and book *The Retreat of Nathaniel Green* were the prizes.

Mayra Guthrie, an out of town visitor was the winner! She is a cousin of Elizabeth Rosario a regular farmer at the market owning 'Goat Stuff from Elyhar. Congratulations Mayra!!!

## Congratulations CCHA!!

The Caswell County Historical Association applied for a grant from the newly formed Caswell County Tourism Development Authority (CCTDA) earlier this year. In early October, we were awarded a \$1500 grant to be used for developing a marketing brochure.

The Tourism Development Authority is providing small grants to area Caswell organizations that are promoting tourism in the county. Learn more at [VisitCaswell.com](http://VisitCaswell.com). The TDA website will be live later in October.
